MOOREWOOD GLADE

IDYLLICALLY LOCATED WITHIN THE CHILTERN HILLS AREA OF OUTSTANDING NATURAL BEAUTY, SURROUNDED BY STUNNING ROLLING COUNTRYSIDE, MOOREWOOD GLADE IS A PRIVATE ESTATE SITUATED IN THE PEACE AND TRANQUILITY OF THE VERY BEST OF THE BRITISH COUNTRYSIDE, YET WITHIN EASY REACH OF LONDON.

Set within over 60 acres of ancient woodland, Moorewood Glade has planning permission for five substantial new build family houses. Each plot within the estate will be available from Brockwell Group with the benefit of the planning permission, enabling a bespoke approach to the finishing and internal design of the property for the client.

MARLOW

AN AREA OF OUTSTANDING NATURAL BEAUTY

Located within the Chiltern Hills Area of Outstanding Natural Beauty and surrounded by stunning rolling countryside and indigenous woodland, Moorewood Glade is only 3 miles from Marlow. The surrounding country really is English countryside at its best. The immediately adjacent Hambleden Valley incorporates pretty villages, historic churches, cosy pubs, abundant wildlife, amazing walking, riding, with quirky places to stay, as well as top-class events to attend.

The local villages benefit from many attractions of their own. There are a number of vineyards in the area with tours and regular tastings as well as the Rebellion Brewery in Marlow Bottom. The National Trust houses of Greys Court and Stonor Park are located within 10 miles and there are regular performances at the Garsington Opera located at the stunning Wormsley Estate which has lakeside performances in their purpose built outdoor theatre throughout the summer.

PERFECTLY LOCATED

The town of Marlow is without doubt one of the loveliest locations on the River Thames, situated on a broad sweep of the river between Henley and Windsor. Marlow is a thriving, traditional Georgian market town and only 30 miles from central London. The town is made up of historic streets and an abundance of boutique shops, restaurants, cafes and bistros all adding to it's unique charm.

There is a thriving social scene with a variety of events throughout the year. May sees celebrity chef Tom Kerridge's 'Pub in the Park', a music and food festival in Higginson Park. Tom Kerridge has made quite an impact on Marlow with three food spots, including his 2 Michelin starred restaurant the Hand and Flowers.

In June, the river is the venue for the Marlow Town Regatta and the Rock Bottom family concert, followed in July by the annual ceremony of 'Swan Upping' when the new crop of cygnets are identified and tagged by the Queen's Swan Marker.

September heralds the Marlow Carnival, with a half marathon and Switch on and Shop Christmas event in November. Late night Christmas shopping is a festive affair in December and there is also a Santa Fun Run for charity led by local resident celebrity Chris Evans.

BARN STYLE LIVING.

All 5 of the houses on the estate are of an individual design but follow a similar aesthetic and have been designed to make the most of the individual characteristics of their location. Each has a Southerly aspect, a South facing garden and each benefits from great natural light all day long, with views into the surrounding woods.

The inspiration for the architectural design of Moorewood Glade is modern barn-style living, with vast ceiling heights of up to 6m resulting in huge volumes of open plan living areas with additional private spaces such as the snug, library and playroom. Each house also benefits from a designated large office suite to enable comfortable working from home.
